Re: Well No. Wright 1-1586
Sec. 15, T. 2S, R. 6W.,
Duchesne County, Utah

Dear Sir:

Insofar as this office is concerned, approval to drill the above referred to oil well with a topographical exception is hereby granted in accordance with the Order issued in Cause No. 139-8 dated September 20, 1972. However, if there is some deviation in drilling, we would appreciate it if you would attempt to deviate towards the center of the NE quarter of the section.

Should you determine that it will be necessary to plug and abandon this well, you are hereby requested to immediately notify the following:

FRANK M. HAMNER
Chief Petroleum Engineer
Office: 533-5771
Home: 531-7827

or

MICHAEL T. MINDER
Geological Engineer
Office: 533-5771
Home: 876-3001

Enclosed please find Form OGC-8-X, which is to be completed whether or not water sands (aquifers) are encountered during drilling. Your cooperation in completing this form will be appreciated.

Further, it is requested that this Division be notified within 24 hours after drilling operations commence, and that the drilling contractor and rig number be identified.

The API number assigned to this well is 43-013-30504.

Sincerely,

DIVISION OF OIL, GAS AND MINING

Frank M. Hamner
Chief Petroleum Engineer

Gentlemen:

In reference to the above mentioned wells, considerable time has gone by since approval was obtained from this office.

This office has not received any notification of spudding. If you do not intend to drill these wells, please notify this Division. If spudding or any other activity has taken place, please send necessary forms. If you plan on drilling this location at a later date, please notify as such.

Your prompt attention to the above will be greatly appreciated.

Very truly yours,

DIVISION OF OIL, GAS, AND MINING

Gentlemen:

Approval to drill the above mentioned wells, which was granted in our letter of September 13, 1979 & September 13, 1979, is hereby terminated for failure to spud them within a reasonable period of time.

If and when you should decide to drill these wells, it will be necessary for you to again obtain the approval of this Division.

Very truly yours,

DIVISION OF OIL, GAS AND MINING
